Lightning Talks

Do you want to try a new way to learn about Christ? Do you enjoy learning new things but only have a few minutes before second service? If so, stop by the adult classroom (room #4) at 10:25 AM for one of our lightning talks. These talks are only 10 minutes long and give you the information you need without a lengthy lesson or discussion. If you would like to know more about lightning talks, please contact Chuck Bell.

Dear Church Family,
 Earl & I want to THANK YOU for the many acts of Christian caring that you have shown us during his recent health problems. Earl's worsening MS lead to hospice, a fall that resulted in a hip fracture, surgery at St. Mary's and now rehab at the Orchard. The lovely flowers sent to the hospital reflected God's beauty in the world. The gifts of food were delicious & comforting. The numerous cards & visits boosted our spirits and the most wonderful gift of all is the many, many prayers lifted up for us. Thanks so much. Love thru Christ
 Earl & Louise Miller

ORANGE- Kid's workers. Certified and approved to be in our secure children's areas.
